Re: Car Parking around school

Unfortunately, I have received a few 'complaints' from our school neighbours and some parents regarding parking over the last two weeks.

As I have said in previous letters, I totally accept that I have no authority or jurisdiction outside of the school grounds and can only ask for your consideration and ask you to be mindful of the impact on our neighbours and local residents. Please do not block garages and drives or keep your engine running for significant periods of time causing air pollution where our children are walking.

Similarly, a number of parents have raised concerns regarding cars being parked in the cut between Westcroft and Eastcroft causing parents with pushchairs to have to put their child in danger whilst navigating around the cars using the road.

Once again, thank you for your help with this matter.

Yours sincerely

Mrs D Cross
